

# WHAT TO SAY TO A SALESPERSON AT YOUR DOOR!

## Do not let them in!

1. Ask them “Did you see my sticker which says do not knock?”
2. Tell them “I am not interested in whatever you are selling.”
3. Ask them “please leave my premises.”

## If they continue to stay ask:

4. “What is your name and who do you work for?”
5. Keep repeating “I’m not interested.”
6. If they continue to stay and talk about the product or service, tell them, “I am going to call the Police and report you for trespassing and I will be seeking advice from NSW Fair Trading.”

## If they still remain:

7. Call the Police.
8. Contact NSW Fair Trading for further advice if needed on 13 32 20.
9. Talk to a Financial Counsellor in your area phone 1800 007 007.

- TIPS:**
- \* Never sign anything at the door.
  - \* Always ask for information in writing and take the time to read it.
  - \* To lessen your chances of being “Ripped Off” you should not buy anything from a door to door sales person.
